Mr. Hoeft and I would like to invite all parents and students who participate in activities to attend a parent meeting on July 9th at 6:00 pm in the main gym.

This will be a great opportunity and a "one stop shop" for your activity needs. Mr. Hoeft and I will discuss several policy changes, including drug testing and new eligibility rules. The selected drug testing company will also give a short presentation and answer any questions you might have.

We will also be handing out all necessary paperwork for your child to participate in activities for the 2019-2020 school year. If your child has his/her physical done by this date, you will be able to turn that in along with all other paperwork handed out that evening. You can leave knowing your child is eligible for the first week of practice in August!

After the meeting, coaches will meet with parents to go over rules and expectations of their particular activity. They will also go over summer expectations for the remainder of the summer break.

This will be a great opportunity to learn the different changes in the handbook, the change of drug testing for students who participate in activities, and speak to coaches and administration about the upcoming seasons!

If you have any questions, please feel free to contact the school!

Mr. Johnson
