NEWS from the Counselor

TEAMMATES RECOGNITION NIGHT AND SILENT AUCTION

TeamMates Recognition Night will be January 4 at the Varsity Basketball games versus Louisville. TeamMates Mentors and Mentees will be introduced. A Silent Auction to raise funds for TeamMates will also be held that night. Two footballs in display cases signed by Tom Osborne, a TeamMates T-Shirt signed by Tom Osborne, a basketball signed by the Varsity Girls' Basketball Team and a basketball signed by the Varsity Boys' Basketball Team will be auctioned off in addition to some TeamMates memorabilia. Please support this very worthwhile cause by bidding on your favorite items. The money raised will support the Palmyra High School TeamMates Scholarship Fund. See Ms. Merryman for more details.

Sophomores Selected for HOBY and Nebraska Leadership Seminar

Alexis Calfee and Jacob Knutson have been selected as the Palmyra High School Ambassadors to attend the Hugh O'Brian Youth Leadership Seminar next summer. Alexis Calfee and Brooke Rubenthaler have been selected to attend the Nebraska Leadership Seminar. Both leadership seminars focus on teaching young leaders about their unique strengths and talents, encouraging them to volunteer their time in meaningful service projects, introducing the young leaders to their peers and adult leaders from across the state for discussions about the issues facing the modern leader and training the young leaders to engage in collaborative activities that challenge them to negotiate among diverse points of view.

The new scholarship list is available on the website and all seniors have been given a copy.
