

SCHOOL ACTIVITY TRANSPORTATION WAIVER

Students involved in any activity away from District OR 1 (athletic contests, field trips, music events, etc.) are required to ride to and from the activity on school-provided transportation when offered. This requirement may be waived however, under various and extreme circumstances. This may be accomplished by completing the form below. This form must then be given to the appropriate principal at least 48 hours prior to the departure time for the event. The principal will make the final determination of the request based upon the reasons given and what is in the best interest of the individual, sponsor, group and school. Approved requests will then be forwarded to the appropriate activity sponsor. Parents, guardians, or designee's must be present when the student is released from the sponsor or when the student meets the group.
