Panther Fine Arts and Music Boosters
Membership Form
2011-2012

Palmyra High School

Who are we? The Panther Fine Arts and Music Boosters have been organized as a support group for our departments. These departments are Art, Band, Choir, Drama and Speech. Moral and financial support is absolutely critical to develop and maintain strong programs at Palmyra. The pride, confidence and commitment that a student exhibits is directly related to the self-esteem, conviction and obligation that the parents show!

Membership includes parents of all students in these programs and any member of the community who wishes to be involved with our students. Communication and involvement are two keys to help perpetuate a strong association to support the ideals that the Arts instill in our children. A strong coalition is essential to maintain and promote the Art education programs in our school.

What do we do? Specific roles that the Boosters play include: fundraising, trip sponsors, uniform handling, concert receptions, publicity, camp scholarships, guest conductors, musical production support, community calendars, student planners, etc... We hope that parents will take the time to be involved in some portion of the Booster organization.
