**Access College Early Scholarships** – These scholarships pay for college classes while the student is still in high school - for juniors or seniors. If you are planning to take college classes second semester and you qualify for free or reduced lunch, you will qualify for this scholarship. Money is limited so it is on a first come first served basis. See Ms. Merryman for more details.

### **Senior Scholarships**

See Scholarship List 4 – December 2011 at [www.districtor1.org/guidance](http://www.districtor1.org/guidance). Look for it! Seniors received a copy of the new Scholarship List in their English classes.

**Southeast Community College Scholarship Program** – Applicants must be US citizens graduating from high school this year. **Preference** will be given to students who rank in the top one-half of their graduating class or who have demonstrated classroom performance that would indicate potential success at SCC; however, any student planning to attend Southeast Community College next summer or fall is encouraged to apply now to be considered for the scholarships. Recipients must be enrolled at SCC. Deadline dates **December 1 through February 22**.

**The Learn to Dream Scholarship** funded by Southeast Community College Foundation and the Foundation for Knowledge will pay for full tuition for **45 quarter credits at any of the SCC campuses**. All graduating seniors who qualify for free or reduced price lunch (as defined by the U.S. Department of Agriculture) are eligible. These applications will be available in late March – early April.

### **Who's On Campus**
