What an AMAZING Holiday Concert we had last night. The students sounded beautiful and were so proud to perform for their families. A special thank you to Mrs. McCreight, Mrs.

Murphy-Robb and Mrs. Hippen for their hard work and countless hours in planning the holiday concert.

This is an exciting time of year filled with a lot of special events and activities. It will be a busy and fun time for all. We will continue to focus on student learning and maintain a consistent schedule for our students.

Please check the Lost and Found items before Winter Break. It is full of coats, sweatshirts, hats and gloves.

Our first semester will come to an end on Friday, December 21<sup>st</sup>. We will be dismissing on December 21<sup>st</sup> at 1:10 for Winter Break and return Thursday, January 3<sup>rd</sup>. There will be NO afterschool Rec. on December 21<sup>st</sup>.

Have a wonderful weekend. As always, please contact me if you have any questions, comments or concerns at [walter.lin@districtor1.net](mailto:walter.lin@districtor1.net).

## School Closing Due to Inclement Weather

Each winter we have school days when we are faced with the dilemma as to whether school will start on time, start late, or should be canceled altogether. This decision is never easy to make, but we want you to know that we have our students' safety foremost in mind. With that said, be aware that we will monitor road conditions closely and will use that information to make the determination about a school closing or late start. We will check roads beginning at 4:30 AM so that we can arrive at a decision by 6:15 AM. If a decision is made to close school or to have a late start, we will notify families via the District School notification system and KFOR radio 1240 AM. These are the primary contacts with late start or closing information. In addition, we will notify channel 10-11 television for the Lincoln market and Channel 6 television in the Omaha market. Our website and Twitter feed will be updated, as quickly as we can in order to get information out in a timely fashion.

I would remind you to update your contact information with the school. This includes your email, home phone and mobile phone information. If our information is incorrect or missing, we will be unable to contact you via the District Notification system in case of a weather closure.
