Bennet Elementary  
District OR 1

January 11, 2019  
Volume 1, Issue 20

I hope all of you had a great week! It has been a busy week here at Bennet Elementary with learning occurring everywhere! Your continued support at home

is vital in helping this happen-thank you. Please set aside time each day for your child to complete homework or practice reading and/or math facts. Just 5-10 minutes of practice each day can be the difference in making gains in your child's education.

Please remember to dress your child appropriately for outdoor recess, as the temperature is changing day to day and there are days we will be going outside.

We will not have school on Monday, January 21<sup>st</sup> for Martin Luther King Day and a Teacher In-service.

As always, please contact me if you have any questions, comments or concerns at 402.782.3535 or email at [walter.lin@districtor1.net](mailto:walter.lin@districtor1.net).

Have a great weekend! Mrs. Walter

Third grade has been learning about life cycles of plants and animals in science. The students had to pick any animal or plant and write a report that described each stage in the life cycle. They also had to create a diorama that displayed all the stages of their life cycle. The final products are amazing and have such creativity behind them! Great job 3<sup>rd</sup> Graders.
