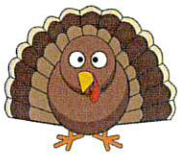
Volume 1, Issue 15

Together, we prepare our students to successfully meet the challenges of the future.



November continues to fly by! The students continue to work hard each day and show an excitement for learning. Staff and students have been working hard to collect canned goods/toiletry items for the Palmyra Food Pantry. We will continue to take donations through November 26th.

On Tuesday, November 26th the 5th and 6th graders will be going to the High School at 1:30 to watch the PHS One Act Performance. The students will return to Bennet after the performance.

We will not have a newsletter next week due to the short week.

Reminder that we will have no school on November 27th-29th for Thanksgiving Break.

Have a wonderful weekend. As always, please contact me if you have any questions, comments or concerns at walter.lin@districtor1.net. Mrs. Walter

Santa's helpers will be available from 10:00 AM-2:00 PM to help wrap gifts. If you would like to volunteer or have items to give, please contact Lillie at 402-440-2871 or check out Mom's Food Pantry on Facebook.

School Closing Due to Inclement Weather

Each winter we have school days when we are faced with the dilemma as to whether school will start on time, start late, or should be canceled altogether. This decision is never easy to make, but we want you to know that we have our students' safety foremost in mind. With that said, be aware that we will monitor road conditions closely and will use that information to make the determination about a school closing or late start. We will check roads beginning at 4:30 AM so that we can arrive at a decision by 6:15 AM. If a decision is made to close school or to have a late start, we will notify families via the District School notification system and KFOR radio 1240 AM. These are the primary contacts with late start or closing information. In addition, we will notify channel 10-11 television for the Lincoln market and Channel 6 television in the Omaha market. Our website and Twitter feed will be updated as quickly as we can in order to get information out in a timely fashion.

I would remind you to update your contact information with the school. This includes your email, home phone and mobile phone information. If our information is incorrect or missing, we will be unable to contact you via the District Notification System in case of a weather closure.

Student Council Food Drive

Student Council will continue to collect canned goods/box dinners and toiletry items through Tuesday, November 26th for the Palmyra Food Bank. Thank you to everyone for their donations.
