Together, we prepare our students to successfully meet the challenges of the future.

Happy New Year! I hope you are all staying warm. As we start our second semester, students and staff are excited about the start of the new semester and the learning opportunities that lie ahead. I wish your family the best in 2017, and I am looking forward to seeing great academic and social strides.

Report cards will go home with your child today. Please contact your child's teacher if you have questions.

As always, please contact me if you have any questions, comments or concerns at 402.782.3535 or email at walter.lin@districtor1.net.

Have a great weekend! Mrs. Walter
