Together, we prepare our students to successfully meet the challenges of the future.

Notes From Mrs. Walter

This year is flying by! I am so pleased with the students and how hard they have worked this year and know they will continue to finish out the year strong.

Students in grades 3rd -6th participated in NSCAS testing this week. Everyone worked hard and did their best on the tests. Way to go Bennet students! We will receive results in the fall from the Nebraska Department of Education.

You may want to encourage your child to look through the lost and found or come up yourself; we have everything from coats, to water bottles and lunch boxes! Also, please check the front entry for snow boots. We have a lot of unclaimed snow boots.

I hope to see you at the Bennet Family Fun Night tonight from 6-8 P.M.

I continue to welcome the opportunity to visit with you should you have any questions, concerns, or comments. Thank you for your continued support!
