Notes From Mrs. Walter

The last month of the 2016-17 school year has officially arrived, and it is full of a lot of events including Accelerated Reader Awards, Un-Track Day, field trips, the Awards Program and Picnic In the Park.

MAPS (Measures of Academic Progress) testing will take place next week for all students. The students and staff have worked diligently all year, so now it is time for them to show us all the growth they have made this year academically.

Thank you to Mrs. McCreight, Mrs. Murphy–Robb and Mrs. Iwan for a wonderful 4th-6th grade concert last night. The students sounded amazing and had so much fun performing!

I continue to welcome the opportunity to visit with you should you have any questions, concerns, or comments. Thank you for your continued support!
