Character Counts

Character Counts is a program that promotes the 6 Pillars of Character (see below.) As we celebrate Character Counts this year, we are challenging students to take responsibility for their character. By following the pillars of Character Counts, we are building children of character in these areas:

Trustworthiness
Respect
Responsibility
Fairness
Caring
Citizenship

As you walk the halls of Bennet Elementary you will notice pillars with student pictures on them. These students and/or classes have demonstrated the monthly character counts pillar.

During the month of **October**, we are focusing on the Trustworthy Pillar.

Trustworthiness:

- Being honest.
- Being reliable — do what you say you'll do having the courage to do the right thing.
- Build a good reputation.
- Being loyal — stand by your family and friends.
