Welcome New Staff!

My name is Shaylee Truax and I am the new agriculture teacher and FFA advisor at Palmyra Jr./Sr. High. This will be my second year of teaching, and I am incredibly excited to begin this new journey with Palmyra.

I grew up on a small cow/calf operation outside of Davey, NE and attended K-12 at Waverly, graduating in 2013. I was active in FFA, band, and many other activities but found my passion to be in agriculture. The University of Nebraska-Lincoln is where I chose to pursue my next degree and I couldn't have been happier in making that decision. I spent much of my time studying, competing for the Husker Equestrian Team, and attending football games (GBR!). In 2017, I graduated from UNL with a Bachelor's of Science in Agricultural Education - Leadership, and a minor in Animal Science, and then decided that the classroom was where I wanted to be. I received my teaching certificate in 2019 while working on my Master's degree.

My first year of teaching was spent in the small town of Chambers, NE which is located about three and a half hours northwest of Lincoln. I had many great opportunities to learn how to better my ability to lead an FFA chapter and classroom instruction at Chambers and will always be grateful for the first year experience that I had. Upon hearing of Mr. Malone's retirement, I decided that Palmyra was a place I could see myself teaching at for a lifetime - so here I am!

Superintendent Notes...by Michael Hart

Greetings Panther families,

I wanted to take a minute to introduce myself and let you know that I am extremely excited to be a part of District OR-1, and I look forward to getting to know our students and families and serving our community. With your support and the support of our school and community, we will continue to maximize each child's unique potential. I am excited to get to meet all of you and hope to see many of you throughout the school year at school events, academic celebrations, and other activities.

My name is Michael Hart, and I am originally from Lincoln. After graduating from UNL, I taught in Omaha Public Schools (Morton Middle School) and Lincoln Public Schools (Dawes Middle School). For the past nineteen years, I was a school administrator for Norfolk Public Schools. On a personal note, I have been married to my wife Sharon for 24 years, and we have two boys (Austin and Brandon) who are both out of high school. I am very blessed to also have extended family in the area, and it has been great to get to see them on a more frequent basis.

Even though I haven't "officially" met all of our staff yet, I can tell you that our district has amazing teachers and support staff. The ones I have been fortunate enough to meet have been great at helping me adjust to this new role, and I am confident they will continue to work diligently to provide your child with the best educational experience possible.

School operations this year will be different to be sure, but together we can weather these challenges, and I am confident that, in the end, these challenges will strengthen our foundation and solidify our community values. This pandemic is unlike anything we have ever experienced before, and the fluidity of the ever-

changing conditions and ambiguity surrounding it may continue to frustrate us and make us anxious and fearful. Our concerns are real, but we still must collectively find the resolve to move forward. Thinking back, we have been out of school since the second week of March. Not in my wildest dreams did I ever think that was a possibility.

Fast forward six months and we still find ourselves with plenty of uncertainty, and many of us are still dealing with the very real trauma of sudden change and the ever-present shadow of fear. Although the threat of Covid-19 still exists, we are committed to providing the best possible instructional environment for students regardless of the circumstances the virus presents.

Communication is key, and one of the best ways to stay connected to school information throughout the school year is to bookmark our school website at www.districtor1.net. Please use this site and follow our social media accounts on Twitter and Facebook to stay informed about the news and daily happenings in the district.

Throughout the rest of this document, I want to briefly summarize some areas of our “Back to School” plan. More specific details are contained in the full “Return to School” plan that will be posed on our school website at this link: www.districtor1.org/.

Prior to school starting, we will be distributing masks for students on **Monday, August 10th from 5-7 p.m.** at both buildings. To begin school this year, we will be using the Lancaster County and Southeast District Health Department “Risk Dials” to assist us with decisions about how to operate during the pandemic. In summary, I want to say "thank you". Thank you for choosing District OR1 Schools, and thank you in advance for your flexibility, patience, and support as we navigate these uncharted waters. Our district remains tremendously appreciative of the support of our families and community members, and it is our hope to return to and keep students on "on-site learning" experiences to the maximum extent possible. Whether you have children at the elementary or the high school, I also want to say thank you in advance for your support of our district and our staff. Through our strong collaborative efforts and a positive school-and-home connection, great growth and success will continue to take place for our kids.

New Faces at District OR1

Andrea Lemmer:

Growing up on a ranch in rural small town Nebraska, I have always been a busy bee, as my grandparents would say. Being an active participant in school activities such as FCCLA, theatre, rodeo, one-act, and speech. As an FCCLA participant I held a variety of chapter, district, and state offices. As well as being a five time national STAR qualifier. Thus my love for the area of family consumer sciences and working with people has always been a huge part of my life.

Preceding high school I attended the University of Nebraska in Lincoln. Graduating with a bachelors in Education and Human Sciences with minors in Psychology, Theatre, and Education. Immediately preceding graduation I worked as a Nutrition Assistant for Platte County Extension, educating K-8th grade nutrition for two years. I found my passion for educating secondary education after being an assistant coach at a local high school, in their one-act and musical theatre department. Pursuing this new interest I began my masters In Family Consumer Science Education while working with extension. I look forward to this new chapter of my life and this amazing opportunity as Family and Consumer Science Teacher here at Palmyra. I could not be more excited to meet my students and see where this year takes us. Many new changes for us all and I look forward to weathering them together.

My name is Mikayla Batman and my husband and I moved to Palmyra about a year ago. I originally grew up nearby in Walton and went to school in Eagle and Waverly. I attended UNL and received my teaching degree. After college, I lived in Colorado for 6 years where I began my teaching career and fell in love with the mountains. My husband and I hiked all over Rocky Mountain National Park and then extended our travels into Wyoming, Montana, and Idaho. Hiking and traveling are two of our favorite pastimes. Aside from hiking we love spending time with family, friends, and our dogs. We are also expecting our first child this fall, which we are super excited about!

I am so happy I get to be a part of the Panther community this fall. I will be teaching 6th grade at Bennet. I have taught 6th grade the last 4 years and have loved every second of it. I love reading and sharing that passion with my students. I also get the wonderful opportunity to coach the junior high girl's basketball team this winter. I have coached JV girl's basketball back in Colorado and I have coached 7th and 8th grade boys in Lincoln. Basketball has been a passion of mine since I was young and I am so excited I will get to continue to coach! I can't wait to meet all my Panther students, athletes, and families this year!

Karen Redd:

I grew up in Elmwood, NE, and after graduating from high school I moved to Lincoln, Nebraska until 1986, when I moved to New Hampshire. I taught for 9 years as a special education teacher in Manchester, NH. I recently returned to Nebraska. I now live in Hickman, NE with my dad and my two cats. Last year I worked for Lincoln Public Schools as a middle school special education teacher. This year I look forward to working as a special education teacher at Bennet Elementary.

I have a Master's of Education degree from Plymouth State University in Plymouth, NH. I am certified in both elementary and special education. I enjoy working with small groups of children and teaching them to work to their full potential. I believe in growth mindset and brain based learning. In my spare time I enjoy reading, embroidery and baking.

Hello, my name is Abby Curtis (Abby Eastep) and I am a proud new member of the Bennet Elementary Special Education team. I grew up right next door in Waverly, NE and continued my education at UNO, where I majored in elementary education and special education K-6. I graduated in December and am extremely excited to start my first year of teaching in the Palmyra school district.

I just recently moved from Waverly to Lincoln with my soon to be husband and our two dogs Winnie and Baby. I gained two new nieces this past year and have another little niece or nephew on the way in November. I really enjoy down time at home relaxing and hanging out with my family and friends. I also enjoy playing and watching volleyball. I hope to coach at some point in my career as well.

I look forward to meeting all of you, and am counting down the days until we can kick off the 2020-2021 school year!

Hello, District OR1 families! My name is Amy Buchanan, and I am so excited to join the District OR1 staff as one of your new speech-language pathologists. I am beginning my 6th year as a speech-language pathologist, with the last four years spent in the Lincoln Public School district. I live southwest of Douglas, so I am very excited to start working within my own community. I have two children: Avery who is 4, and Hudson who is 1. In my free time, I enjoy being outside with my family, gardening, and camping. I look forward to meeting you!

STATEWIDE RELEASE: DISTRIBUTED

Nebraska Community Foundation affiliated funds aim to narrow homework gap

Thanks to an anonymous donor and the Alice DeVoe Donor-Advised Fund, an affiliated fund of Nebraska Community Foundation, Nebraska's homework gap is getting a little smaller.

Bennet Elementary School received a grant totaling \$10,000 through affiliated funds of Nebraska Community Foundation (NCF). The opportunity for funding was made available exclusively to affiliated funds in the NCF network and required a 1:1 local funding match. In Bennet, funding was matched by the Bennet Area Community Foundation Fund

“The homework gap has long existed, but COVID-19 has exacerbated the divide between Nebraska students,” said Jeff Yost, president & CEO of Nebraska Community Foundation. “These grants support a wide range of methods to bridge the homework gap including computer equipment and software, internet access, staffing for summer school and individualized instruction for at-risk and special education students, transportation and professional development for trauma informed practice.” With the continued support of the Bennet Area Community Foundation Fund, Bennet was able to purchase 21 Chromebooks to be checked out to lower-elementary students from Bennet Elementary.

Pictured, Bennet Elementary teacher and Bennet Area Community Foundation Fund member Lisa Dowding presents a check of \$10,000 to District Technology Coordinator Burke Brown.

The Great Plains Summit, due to the coronavirus was held via Zoom webinars and meetings.

This year's Summit was well-attended as the following District OR1 teachers gained Summer professional development: Mr. Brown, Mrs. Buescher, Mr. Chaffee, Mrs. Church, Mrs. Conn, Mrs. Dowding, Mrs. Dvorak, Ms. Ehlers, Mrs. Ferretti, Mr. Gabriel, Mrs. Gill-Rose, Ms. Hohensee, Ms. Lamb, Mrs. Malone, Mr. Panko, Mr. Smidt, Mrs. Whyman, Mrs. Wusk, Ms. Walter, and Mrs. Batman.

Gather family and friends to enjoy Texas Roadhouse atmosphere and food. District OR1 Foundation for Knowledge will hold its annual Foundation Family Night. The Foundation will receive 10 percent of the total receipt from Panther Supporters between the hours of 4:00 p.m. and 10:00 p.m.

To Parents of School Bus Route Children:

School will be starting on Thursday, August 13, and we have been busy working on bus routes for this year. Your bus driver will contact you approximately one week before school starts with your pick-up time. **If you wish to continue service this year or if you are new to the district and requesting bus service, please contact Cathy Fick right away, so that your name can be added to the routes.**

These routes and times may not be permanent until we get everyone needing bus service registered. Times will vary the first week of school, depending on who is riding. Please be patient.

After the first week, times should be the same. The bus drivers can only wait one minute for students to get on the bus, so please have your students ready and waiting at their scheduled time. This will ensure that the bus will not be late to its next pickup or be late to school. An example would be a 7:00 a.m. pickup would have the bus leave promptly at 7:01 a.m.

We ask that if your child will not be riding the bus at any time to please call your bus driver, or you may also call/text **Cathy Fick 402-780-5636 or 402-540-2879 (cell)**. If you call Cathy's cell, please leave a message, as connectivity is not always reliable. Please try to call the night before if possible. If not, please call at least 15 minutes before your scheduled pick up time. Even when you call the school, please call the driver as well. Phones are answered at school from approximately 8:00 a.m. to 4:00 p.m.

Please note that when school begins at **10:00 a.m.** due to inclement weather, your pickup time will be approximately 1 hour and 45 minutes later than normal, i.e. an 8:00 a.m. pickup time will change to 9:45. Cathy will be providing those adjusted times as we finalize schedules.

If you have alternating drivers for your route, we request that you always contact Cathy, as they have alternating schedules and do not drive every day. This way I can get the message to the driver assigned that day.

We ask that you send a note with your child for any alternate plans for the bus. An example would be if your students are not riding home, if they are going home with another student, or if they are having a friend go home with them. If they don't have a note, the change will not be allowed. This policy will allow us to plan and confirm that parents are aware of where children are being dropped off. Finally, parents may call Cathy or their school office prior to 3:00 p.m. to make a change in afternoon plans. No calls will be accepted after that as buses may be in route and calls cannot be taken.

There is to be no food or drinks on the bus except for plastic bottled water. No suckers, sunflower seeds or gum as they create a mess that is difficult to clean. No skateboards, no spray deodorant or perfume. No calls on their cell phones, unless it is from their parents, as it distracts the bus driver and becomes a safety issue. If they need to call their parents, they need to let the bus driver know.

Drop-off times after school can vary depending on who is riding the bus that afternoon, so we ask that you are flexible after school.

If your child has a health issue that you feel the bus driver should be aware of, please let Cathy know, i.e. asthma, allergies, etc.

If you have any questions, problems, or if your child has a health issue that warrants your driver's attention, please call Cathy. If your child experiences any trouble, please call. We try to watch as close as we can, but we can't always see everything. Please see the student handbook for bus rider discipline policy.

Thank you for your help and patience.

The **Bennet Elementary Caring Project** and our District OR 1 Random Acts of Kindness month were both a huge success. Every year in February we pick a caring project to raise money or gather donations to help those in need. This also brings awareness to our students about the needs of others. We try to select a non-profit organization that can use some help. In past years, we have worked with Capital Human Society, Lincoln City Mission, Wounded Warriors, and Lincoln Children's Zoo just to name a few.

The Bennet Caring Project is a way for us to make a difference as a whole school. We show kindness to those that need help and support. This year we gathered monetary donations for our community fire departments. We raised funds for all three community stations- Bennet, Douglas and Palmyra. The amount collected was split equally three ways. Many volunteer fire departments rely on fundraising efforts to supplement, or in some cases primarily support, their financial needs. Our fire departments are completely voluntary! They can use all the support we can provide them. By helping our community fire stations, we are showing our students that our small communities depend on ALL to make a difference. There were jars in each classroom for donation that were collected and counted each day by our Student Council members. The Bennet Caring Team was able to raise over \$2,000.00, giving each fire station \$691 to use as needed.

We know that showing kindness is more than just one week or one day. Kindness is something we need to work on every day! Please encourage your child to do something kind outside of school for others. Also, let them know we all have bad days.... some days being kind can be hard work. Together we can all be the change in a world that is not always kind.

Jen Hanger, Caring Project Coordinator and 2nd Step teacher

BENNET ELEMENTARY:

WELCOME BACK to the 2020-21 school year. I know many of you have questions regarding school and how it is going to look this fall, please be watching the website, twitter and email for updates. I am anxious for students to be back in the building and am looking forward to working with everyone to ensure the children at District OR 1 Bennet Elementary achieve their highest potential.

Bennet Elementary uses a school wide positive behavior plan that allows staff to use common language and consistent expectations within the school environment. The school will continue to follow the 4 B's of Learning: Be an Active Learner, Be Respectful, Be Responsible and Be Safe. Behavior Matrix's are posted throughout the school that lists specific expectations for behaviors throughout the school day. We believe that children need to learn in a caring and safe environment that is free from distraction and disruption.

Activities Calendar

The Activities Calendar for the 2020-21 school year is viewable by using the school website and clicking on the calendar icon on the main page. At the top of the calendar you can click the "Subscribe" tab to add it to your personal calendar. Another option is to download the "rSchool" app from your app store. Do a search for "**Activity Scheduler**" and follow the set up options for viewing our school's calendar.

Sports Physicals

If you are in grades 7-12 and plan to participate in any sport for the upcoming 20-21 school year you must have a physical on file in the office prior to the first practice. Due to Covid-19 and the limited ability to get appointments for physicals, the NSAA only requires incoming 7th and 9th grade students to have a current physical obtained after May 1, 2020. All other students that had a physical from the 2019-20 school year will receive a 1 year exemption. An NSAA permission form from all students is also needed on file prior to the first contest. Both the Physical form and NSAA form can be found and printed from the school website under the HS Athletics tab (or search "physical form" and/or "NSAA form" within the website).

Fall Activities

August 10th is the start of all Fall practices. Additional conditioning date and time information will be shared to athletes by their respective coaches.

2020-21 Activity Passes

For those wanting to purchase single or family passes, which are good for all athletic events at the school (exceptions; One Act, Main Stage, District and Conference contests), may do so in the east downstairs office during school hours. Once a Booster Bash date is announced, passes may also be purchased at that time. Pass fees are as follows:

Senior Citizen Pass (60+): \$5

Single Pass: \$50

Family Pass: \$125

Regular daily event admission: JH Contest: Adults \$4, Students (K-12) \$3

HS Contest: Adults \$5, Students (K-12) \$4

Cardiovascular Testing

Palmyra High School is considering cardiovascular testing for all interested students for the upcoming school year. The testing works with the student's insurance to provide it free or at a very minimal cost. A date is being established for this testing to be done in the first 2-4 weeks of school. Look for more information to come on this testing and its benefits. This website link will give you a better idea of its services and benefits. <http://www.cappohealth.com/>

Dear Parent/Guardian:

Children need healthy meals to learn. District OR 1 offers healthy meals every school day. Bennet Elementary breakfast costs \$2.10; lunch costs \$2.75. Palmyra High School breakfast costs \$2.35; lunch costs \$2.85. Your children may qualify for free or reduced price meals. Reduced price is \$.30 for breakfast and \$.40 for lunch. If your child(ren) qualified for free or reduced price meals at the end of last school year, you must submit a new application by September 14, 2020 in order to avoid an interruption in meal benefits.

How much?

| | 1 Day | 5 Days | 30 Days |
|------------------------|--------------|---------------|----------------|
| Elem Student Breakfast | \$2.10 | \$10.50 | \$63.00 |
| Elem Student Lunch | \$2.75 | \$13.75 | \$82.50 |

| High School Lunch | \$2.85 | \$14.25 | \$85.50 |

This packet includes an application for free or reduced price meal benefits and a set of detailed instructions. Below are some common questions and answers to help you with the application process.

1. WHO CAN GET FREE OR REDUCED PRICE MEALS?

- All children in households receiving benefits from the Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) or the Food Distribution Program on Indian Reservations (FDPIR) are eligible for free meals.

- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- Children may receive free or reduced price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced price meals if your household income falls at or below the limits on this chart.

2. **HOW DO I KNOW IF MY CHILDREN QUALIFY AS HOMELESS, MIGRANT, OR RUNAWAY?** Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call or e-mail Michael Hart, PO Box 130, Palmyra, NE 68418 or 402-780-5327.
3. **DO I NEED TO FILL OUT AN APPLICATION FOR EACH CHILD?** No. *Use one Free and Reduced Price School Meals Application for all students in your household.* We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Lisa Phillips, PO Box 130, Palmyra, NE 68418 or 402-780-5327.
4. **SHOULD I FILL OUT AN APPLICATION IF I RECEIVED A LETTER THIS SCHOOL YEAR SAYING MY CHILDREN ARE ALREADY APPROVED FOR FREE MEALS?** No, but please read the letter you got carefully and follow the instructions. If any children in your household were missing from your eligibility notification, contact Lisa Phillips, PO Box 130, Palmyra, NE 68418 or 402-780-5327 immediately.
5. **CAN I APPLY ONLINE?** No, please visit www.distictor1.org to print an application.
6. **MY CHILD'S APPLICATION WAS APPROVED LAST YEAR. DO I NEED TO FILL OUT A NEW ONE?** Yes. Your child's application is only good for that school year and for the first few days of this school year. You must send in a new application unless the school told you that your child is eligible for the new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.
7. **I GET WIC. CAN MY CHILDREN GET FREE MEALS?** Children in households participating in WIC may be eligible for free or reduced price meals. Please send in an application.
8. **WILL THE INFORMATION I GIVE BE CHECKED?** Yes. We may also ask you to send written proof of the household income you report.

9. IF I DON'T QUALIFY NOW, MAY I APPLY LATER? Yes, you may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit.
10. WHAT IF I DISAGREE WITH THE SCHOOL'S DECISION ABOUT MY APPLICATION? You should talk to school officials. You also may ask for a hearing by calling or writing to: Michael Hart, PO Box 130, Palmyra, NE 68418 or 402-780-5327.
11. MAY I APPLY IF SOMEONE IN MY HOUSEHOLD IS NOT A U.S. CITIZEN? Yes. You, your children, or other household members do not have to be U.S. citizens to apply for free or reduced price meals.
12. WHAT IF MY INCOME IS NOT ALWAYS THE SAME? List the amount that you normally receive. For example, if you normally make \$1000 each month, but you missed some work last month and only made \$900, put down that you made \$1000 per month. If you normally get overtime, include it, but do not include it if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.
13. WHAT IF SOME HOUSEHOLD MEMBERS HAVE NO INCOME TO REPORT? Household members may not receive some types of income we ask you to report on the application, or may not receive income at all. Whenever this happens, please write a 0 in the field. However, if any income fields are left empty or blank, those will also be counted as zeroes. Please be careful when leaving income fields blank, as we will assume you meant to do so.
14. WE ARE IN THE MILITARY. DO WE REPORT OUR INCOME DIFFERENTLY? Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Any additional combat pay resulting from deployment is also excluded from income.
15. WHAT IF THERE ISN'T ENOUGH SPACE ON THE APPLICATION FOR MY FAMILY? List any additional household members on a separate piece of paper, and attach it to your application. Contact Lisa Phillips, PO Box 130, Palmyra, NE 68418 or 402-780-5327 to receive a second application.
16. MY FAMILY NEEDS MORE HELP. ARE THERE OTHER PROGRAMS WE MIGHT APPLY FOR? To find out how to apply for SNAP or other assistance benefits, please go online to ACCESSNebraska.ne.gov or call 1-800-383-4278.

If you have other questions or need help, call 402-780-5327.

Sincerely,

Lisa A. Phillips

School Closing Due to COVID-19 or Other Reasons Such as Inclement Weather

In the new normal of COVID-19, as well as our old normal of inclement weather, we will have school days when we are faced with the dilemma as to whether school will start late, change to an alternate schedule, or should be canceled altogether. This decision is never easy to make, but we want you to know that we have our students' safety foremost in mind. With that said, be aware that we will monitor COVID-19 dials and weather conditions closely and will use that information to make the determination about school openings/closings. For weather, we will check roads beginning at 4:30 a.m. so that we can arrive at a decision by 6:15 a.m. If a decision is made to close school or to have a late start, we will notify families via the School District notification system and KFOR radio 1240 AM as our primary contacts with the late start or closing information. In addition, we will notify channel 10-11 television for the Lincoln market and channel 6 television in the Omaha market as well as our website, mobile app and Twitter feed as quickly as we can in order to get information out in timely fashion. For COVID-19, we will release notifications at the earliest possible moment.

If a change to schedule is necessary where school is REMOTE, students and teachers will log into their daily classes as a normal school day. If a LATE START is warranted, all daily times will be pushed back TWO (2) HOURS. Again, all school times and bus times will be pushed back two hours. Morning activities, district-wide breakfasts, morning PK and morning rec will be cancelled.

We appreciate your cooperation and patience. With all of that said, I would remind you to update your contact information with the school. This includes your email, home phone and mobile phone information. If our information is incorrect or missing, we will be unable to contact you via the District Notification system.

Patrons are now able to pay lunch balances when it's most convenient for you with a computer or mobile device at <https://districtor1.revtrak.net/>. The District OR1 Web Store even integrates with PowerSchool! Save time and be confident that your payments will make it where they need to go. You will be able to pay online with an eCheck, debit card, or credit card. The first step in setting this up, though, is to make sure you can log into PowerSchool to see your student's grades and lunch balance at districtor1.nebps.org. If not, please contact your school's office to request credentials. Bennet Elementary is 402-782-3535 x1 and Palmyra High School is 402-780-5327 x2.

New Programs from Food & Nutrition Services!

District OR1 created a team to research and implement a plan to better ensure food and nutrition information is available to our students, as we continue to be dedicated to students' health, well-being, and their ability to learn. As a result, we are creating a web portal to keep the information needed to empower our students to take the lead to develop healthy Nutrition and Fitness practices for life. Check out our district's interactive and user friendly School Nutrition website at www.DistrictOR1nutrition.org and learn how you can eat right and stay fit! **Scan QR Code at left for School Nutrition Website...**

Good nutrition leads to great academic performance. When your nutritional needs are met, it is easier to focus and learn. When you are physically fit, you are more alert, more positive and enjoy a better quality of life. Combine good nutrition with physical activity and you will have a winning combination to succeed in school.

Food and Nutrition Director Karen Skinner and her team are **Educating and Inspiring Excellence** for our students by promoting health and fitness as well as our district's Wellness Policy. Along with information about meal components, menus, and meal applications, you will find interactive nutrition lesson plans, nutrition videos, nutrition games, fitness calculators, fun activities, and healthy recipes...and it is all updated quarterly!

Now Nutrition Information right from our menus is a cinch! Hovering over menu items reveals an individual item's nutritional information, allergens, and allows students to rate menu items... our goal is a 5 Star rating for our 5 star meals focused on meeting and exceeding USDA guidelines.

Check out nutritional information and our School Nutrition Mobile App on the go!
