# THE PANTHER PROWL NEWSLETTER

Bennet Elementary  
District OR 1

January 7, 2022  
Volume 1, Issue 20

*Together, we prepare our students to successfully  
meet the challenges of the future.*

I hope all of you had a  
wonderful Holiday and break.  
It has been a busy three  
days here at Bennet

Elementary getting back into a routine,  
and hearing all the fun student stories  
about their holiday. Your continued  
support at home is vital in helping this  
happen-thank you. Please set aside time  
each day for your child to complete  
homework or practice reading and/or  
math facts. Just 5-10 minutes of  
practice each day can be the difference  
in making gains in your child's education.

Please remember to dress your child  
appropriately for outdoor recess; as the  
temperature is changing day to day, and  
there are days we will be going outside.

Have a wonderful weekend. As always,  
please contact me if you have any  
questions, comments or concerns at  
[walter.lin@districtor1.net](mailto:walter.lin@districtor1.net).

## **School Closing Due to Inclement Weather**

Each winter we have school days when we are faced with the dilemma as to whether school will start on time, start late, or should be canceled altogether. This decision is never easy to make, but we want you to know that we have our students' safety foremost in mind. With that said, be aware that we will monitor road conditions closely and will use that information to make the determination about a school closing or late start. We will check roads beginning at 4:30 AM so that we can arrive at a decision by 6:15 AM. If a decision is made to close school or to have a late start, we will notify families via the District School notification system and KFOR radio 1240 AM. These are the primary contacts with late start or closing information. In addition, we will notify channel 10-11 television for the Lincoln market and Channel 6 television in the Omaha market. Our website and Twitter feed will be updated as quickly as we can in order to get information out in a timely fashion.

I would remind you to update your contact information with the school. This includes your email, home phone and mobile phone information. If our information is incorrect or missing, we will be unable to contact you via the District Notification System in case of a weather closure.
