Seniors...It's decision time!

Here's how to make your final college decision:

Compare your college acceptance letters, financial aid award notifications, and campus visit notes. List the pros and cons of each school using the following criteria:

Location – Is the college too close? If you come home every weekend, you won't experience true campus life. Is the college too far away? If so, you may not make it home as often as you'd like.

Cost – Can your family afford the school? What can you expect for financial aid beyond your freshman year? Did you receive renewable scholarships? How much in [student and parent loans](#) will be needed to cover expenses?

Academic program – Which college offers the degree program that best fits your career interests? What happens if you change majors? Does the college offer other degree programs that interest you?

Student life – Does the school offer activities you will enjoy? If you plan to live on campus, do you like the housing arrangements? Will you have an opportunity to work on or near campus?

Make your final decision by **May 1** and then notify the colleges you're rejecting so they can offer your spot, and financial aid, to another student.

IMPACT PROJECT DECIDED

Our **Chick-fil-A Leader Academy** decided what the **Impact Project** would be to conclude this year's academy. After a series of votes, the group decided on supporting **Nebraska No Kill Rescue**. On Sunday, April 24, we are sponsoring the Nebraska **No Kill Canine Walk** from 3 to 6 pm at the **Olson Sports Complex**. Participants can collect pledges and come and walk around the track. Dogs cannot be allowed on the track but can come walk the loop around the complex. The whole community of Palmyra-Bennet-Douglas is invited. The goal is to raise over \$10,000 to assist in the rescue and recovery of area animals and pets. More information is on our website: <https://no-kill-canine-walk.square.site/>
