*Together, we prepare our students to successfully  
meet the challenges of the future.*

The last month of the 2022-23 school year is

quickly upon us. This year has flown by, and I am so proud of everyone's efforts to make this year so successful!

MAPS (Measures of Academic Progress) will begin May 1<sup>st</sup> for KDG-2<sup>nd</sup> grade students. The students and staff have worked diligently all year, and this is an exciting time to see all the growth they have made this year academically. Please make sure your child gets a good nights rest and eats breakfast.

Please make sure you are checking communication apps from your child's teachers, take home papers, etc. as we have a lot of upcoming events for students to participate in (field trips, graduation, assemblies, track day).

I continue to welcome the opportunity to visit with you should you have any questions, concerns, or comments. Thank you for your continued support!
