

From the principal's desk:

I want to welcome everyone back for a great school year! We are so excited to have your kids! This is a GREAT time to be a Panther! Our school is growing, we have great teachers and staff, and our kids continue to do great things both in and out of the classroom.

One thing I wanted to bring to everyone's attention is that with this continued growth, there will be some "pains" along the way. We are doing our best to adjust to these as they happen. With that said, I welcome any feedback that you may have concerning how we are addressing this growth. As an example, we have announced to the students that the SOUTH parking lot will be available for OVERFLOW should the other two lots fill up. It is not a place to be used when the other lots are empty :) but should they find very few spaces or the spaces are hard to use, they may use the south parking lot. We have many young drivers and we want to do our best to limit any fender benders. This suggestion was brought to us by a parent last year, and I am appreciative of this feedback.

Lunch is another area where it may take a week or two to get things running smoothly. Last year we had approximately 220 students in our building. This year we have over 300! We are truly blessed, but we also have to figure out how to work this so everyone can eat. With that being said, if in the first few days/weeks students do not end up having much time to eat, students will be allowed to stay, eat, and will not be tardy to their next class. We are currently working on a slight staggering schedule so that we can do our best to reduce the amount of kids and time spent in the line waiting to eat.

If at any time you would like to stop in and chat, I am happy to meet with you and discuss all the great things that are happening here at our school. I am also very happy to chat with you about any concerns you might have or any ways we can look to improve.

Student Forms

Registration

Registration sheets were sent home this week. These need to be returned to school by

Friday, August 19th. Please contact the school if your child did not bring these forms home to you. We will get you another one.

If you come early to pick up your child from school please stop in at the office to check them out. We will not be releasing students from the playground without checking them out from the office before.

Parent Drop Off

The circle drive may only be used for dropping off students before school and picking them up at the end of the day after all buses have exited. Please remember when using the circle to pull up and have your child ready to exit, so traffic can continue to run smoothly.

Picture Day

**Individual school pictures will be
Tuesday, August 23rd. Picture forms
were sent home at Open House.**
