### Principal's Update

Dear Bennet Families,

As we wrap up the school year, I want to take a moment to thank you. This was a big year of growth and change for Bennet Elementary, and I'm incredibly grateful for the way this community showed up to support our students and staff. From day one, it's been clear that Bennet is a place where strong relationships, high expectations, and a whole lot of heart come together. I'm extremely proud to be part of it.

This year brought a lot of "firsts." We tackled construction challenges, rolled out a new math curriculum, and started getting ready for a brand new reading curriculum coming next year. Through it all, your encouragement and trust kept us going. I'm especially proud of how our staff stayed focused on what matters most—our kids.

From the moment I joined Bennet Elementary, it was clear that this is a special community. Whether it was showing up for events, supporting classroom initiatives, or simply cheering your children on each day, your involvement helped us create a strong, caring school environment. Relationships are at the heart of everything we do here, and this year reminded me just how powerful those connections can be.

Looking ahead, we've got exciting things in store. We'll keep building strong systems to support student growth, continue improving our instruction, and make sure our school stays a place where everyone feels welcome and valued.

Thank you again for being part of the Panther family. I hope your summer is full of rest, sunshine, and a little fun, too. We'll be ready to hit the ground running in the fall!

Sincerely,

Jared Haag  
Bennet Elementary Principal

## 2025-2026 Supply Request Lists

While there's still plenty of time before the new school year begins, we know some families like to get a jump on back-to-school prep. If that's you, we've got you covered! We have sent a printed copy home with your child for easy reference and have a digital link you can reference any time throughout the summer! [Here is the link to the 2025–2026 supply lists for grades K–5.](#)

## REC and Lunch Balances

As we approach the end of the school year, we kindly ask that you check your child's lunch account and take care of any negative balances. Shonna is also trying to clear out balances for REC for this school year. If you have any questions or need help accessing your account, please don't hesitate to reach out.

These balances need to be paid in full by Friday, May 23rd.

## Lost and Found

Our Lost and Found is overflowing! We'll be clearing it out over the summer, so please make sure to check for any missing items before the last week of school. All unclaimed items will be donated after that time. Thanks for your help!

### Arrival and Dismissal Procedures

A few reminders that I would like to share to help everyone get in and out quickly:

- Please have students enter and exit your vehicle on the passenger side of your vehicle. The drop off lane is extremely effective and the safety of your student is our top priority. By doing this, we can ensure that students are not in zones of traffic and are not in harm's way.
- If you are using the parent drop/pick up lanes, please stay in your vehicles. If you would like to park and walk up, please utilize the parking spaces in the interior of the parent pickup/dropoff lane.
- In the afternoon **only**, Kindergarten parents may utilize the bus drop off lane for pickup for Kindergarten students and older siblings. Grades 1-5 will continue to use the primary pickup/dropoff lane. Teachers have now been assigned zones to help aid in the location of your students to help you get in and out quickly.
- For preschool students, we have begun a student drop-off zone similar to the primary drop-off lane. If you would like to stay in your vehicle, a staff member will assist with getting your student out of the vehicle.

### Arrival Times

Students that are participating in the Rec program can be dropped off starting at 7:00. All other students can arrive no earlier than 7:50 unless they are utilizing school busing or the Rec Program. School starts at 8:20 and the tardy bell rings at 8:30. Breakfast begins at 7:50 and ends at 8:20.

### PowerSchool

Please check PowerSchool to view grades, missing assignments, and lunch balances. If you need to set up your account, please call Melissa in the office.

## Bennet Elementary School Counseling Program

Every year, students get excited about being able to request to eat lunch with the school counselor, Mr. Lahmon. These lunches provide great opportunities for relationship building, social skills practice, discussions about emotions and strategies, and conversation regarding students' interests and all the amazing things happening in their lives.

I always enjoy hearing about their sporting events, art and music achievements, trips, favorite family activities, etc. during these quick lunches! This year, we were fortunate to be able to utilize the outdoor classroom/lunch area when the weather was nice. Thank you to the Bennet Elementary Boosters for your support and assistance in making this happen!

I am looking forward to more amazing lunches next school year!

Our TeamMates chapter has a partnership with [Linked2literacy](#) where mentors read with their mentees in grades 3 to 5 to help increase literacy in youth. Books are available to students in a vending machine at the Elementary school as illustrated in the photo to the right.

One way you can help us keep the book vending machine full is through the Lincoln Community Foundation program-Give to Lincoln Day (GTLD), which is available through the month of May. Over 400 nonprofits in Lancaster County are registered with GTLD. Every donation through GTLD is boosted with a share of \$650,000 matching funds through the Lincoln Community Foundation and funds provided by West Gate Bank and many other sponsors.

#### **Donation Options should you wish to do so:**

Online gifts by credit card can be directed to our TeamMates chapter from May 1 to 29 by using the link listed below.

**Checks can be mailed by May 22 to the following address:** (Please indicate TeamMates Bennet Elementary on the check memo line.)

#### **\*Interested in getting involved with TeamMates?\***

We are always looking for mentors! Just 20-30 minutes a week is all it takes to make a difference in the lives of our youth. We know life happens and every week isn't always possible. Just doing the best you can to be there for youth in our community is what matters!

We also have an exciting opportunity for new board members to join our local chapter's TeamMates board and help continue to drive the future of our chapter. If you are interested in serving on our board that meets a few times a year, please reach out!

If you are interested in either of these opportunities, please contact Austin Lahmon at Bennet Elementary.

## Parent Ambassador Program

*presented by Bennet Elementary Boosters*

Calling all Parent Volunteers!

Are you looking for a way to become more involved? Meet new parents? Help out our amazing teachers? Then we have an awesome opportunity for you!

Bennet Boosters is excited to announce the "Parent Ambassador Program" for the 2025-2026 school year. We are looking for 1-2 Parent Ambassadors for each classroom.

### What are the primary duties as a parent ambassador?

#### 1. Plan classroom holiday parties (Halloween, Christmas and Valentine's Day)

- Ambassadors will plan 2-3 age-appropriate activities (example: 1 game, 1 craft, 1 snack)
- Ambassadors will coordinate 2-3 parent volunteers to attend the party and assist with activity and handing out snacks.
- Ambassadors will request donations from classroom parents via Signup Genius for snack. Can also request donations for craft/game if needed.
- Goal is for the classroom teacher to focus on enjoying the day with the students and the Ambassadors (with assigned parent volunteers) to coordinate and manage the party.

#### 2. Yearbook Photo Collection

- Send reminders to classroom teacher to upload photos to Google Drive Yearbook Folder throughout the year after events (ex: Halloween parade, holiday parties, field trip).
- Take photos at events where you are in attendance and upload to Google Drive Yearbook Folder

#### 3. Other Duties

- Ambassador will work with the classroom teacher to determine any extra needs there may be for that year. This may vary teacher to teacher and grade level to grade level.

### FAQ:

#### • How are Parent Ambassadors Chosen?

- Scan the QR code below to fill out the application form. Please indicate all classrooms you are available to help with. You will only be assigned to one classroom. We will choose randomly if we have more than 2 parents express interest for one classroom.
- Ambassadors will be chosen by the end of August. There will be an Ambassador Welcome Meeting held in early September to review goals of the program and answer questions.

#### • How will the Ambassador communicate with classroom parents?

- Ambassador will post on classroom band app when looking for volunteers and/or donations. Encourage use of Signup Genius for ease of communication.

#### • Do you, as Parent Ambassador, need to personally provide any supplies for the holiday parties?

- Ambassador will use Signup Genius to make donation requests for snacks, holiday craft supplies, etc.

#### • Do you, as Parent Ambassador, need to be present at each of the 3 holiday parties?

- No! We encourage Ambassadors to work with your classroom parents to identify other parents interested in helping with volunteering duties. This role is not designed to be a big time commitment- it is designed for both working and stay-at-home parents!

#### • Do you, as a Parent Ambassador, need to be a member of the Bennet Boosters?

- No! You do not need to be a member of the Bennet Boosters.

#### • Questions?

- Please reach out to Kayla Bruss 402-440-8895 (Ambassadors Coordinator) or Megan Jensen 402-380-4016 (Boosters President)

## PANTHER YOUTH BASKETBALL

P.O. Box 321

## PANTHER YOUTH BASKETBALL 5,000 SHOT CLUB

Because Champions are made in the summer - and great shooters shoot all the time! Building the correct habits through repetition and practice will foster muscle memory in your shooting form - and that proper form will take over when you are in the game!

The Panther Youth Shot Club is a summer program designed to challenge our 3rd-8th grade players to practice excellent shooting and the goal is to record 5,000 or more shots during the summer.

### Outline

**Sign up:** Are you participating? Then you need to let Coach Maibaum and Coach Kempkes know!

**Email:** Coach Maibaum (maibaum.bra@districtor1.net) for the girls, or Coach Kempkes (kempkes.kal@districtor1.net) for the boys. Monthly shot submissions will be requested via email. Reminders will be on Facebook.

**Dates:** June 1-September 30. All tracking documents are due by October 10th, 2025. No late submissions will be accepted.

### FAQs

**What are game shots?** Game shots are different for every player. To be successful, you should start in close to the basket working on proper form for a warm up. Once you have established your range (distance from the basket where you can shoot the ball with proper form) you are ready. But remember - any shot you shoot, whether it's while warming up or playing pick up ball, counts toward those shot totals. Note: only game shots count (underhand and half-court baseball shots are examples of shots that do NOT count).

**Where can I shoot?** This shot club is open to any hoop where you can shoot - in the driveway, at the park, during a basketball camp, open gym, etc. 3rd Grade = 9ft hoops and 4th-8th grades = 10ft hoops.

**Do free throws count?** Yes! Ideally 20% of your shots will consist of free throws. When you shoot for a long period of time, you will need to rest. Free throws are a great way to rest during a workout.

**Can I just guess how many shots I shoot and make?** The idea behind the Shot Club is to give you, the player, the confidence and the knowledge that you deserve to win because you put in time to improve your game. You must be true to yourself and be honest about what you want to get out of doing this.

**What do I get for making the club?** You will successfully complete the program if you turn in all your tracking reports, making sure all shots have been verified by a parent or guardian. Players who take 5,000 shots will receive a Panther Youth Shot Club Shirt and will be recognized when we start up our basketball season next year.

### Tips

**Form:** eyes on target, feet squared up, shot pocket (finger pads), helper hand, elbow in, gooseneck follow through

**Variety of shots:** layups, jump shots, drive and shoot, fake and shoot, free throws

Practice shots after you are tired: don't just quit - get a few more shots in!

### Sample 100 Shot Workout

20 in front of hoop, 20 block (R/L), 20 layups (R/L), 20 free throws, 20 elbow (R/L)

Do this workout 50 times this summer - you are in the club!

## Standard Response Protocol

Bennet Elementary's adoption of the Standard Response Protocol (SRP) provides a standardized approach to managing various events, both threatening and non-threatening, that may happen in or around our school.

These protocols provide actions for the following situations:

- Lockout (danger is outside the school)
- Lockdown (danger is inside the school)
- Evacuate (leave the school building, such as a fire)
- Shelter (tornado or severe weather)
- Hold (stay in classrooms due to a non-threatening event outside the classroom)
