*Together, we prepare our students to successfully
meet the challenges of the future.*

We've had a wonderful beginning of the school year. The first month of school is nearing and what a busy time it has been for staff and

students. The transition from summer schedules to school schedules can be difficult, and I am pleased to report that students have been ready to learn each day. Thank you for your assistance with this important transition.

The beginning of the year is a great time to remind families about general procedures followed at school each day. These reminders will help to ensure a successful day for students, families, and teachers.

- Look through your child's backpack each day and go over the items sent home with your child.
- Help your child to remember to return papers/homework when they are due.
- Help your child arrive to school on time. The school bell rings at 8:20 and the tardy bell rings at 8:30.
- Call the office 782-3535 each day your child will be tardy/absent.
- If you have a change in plans for after school please contact the office and or bus drivers before 2:45 PM.

I continue to welcome the opportunity to visit with you should you have any questions, concerns, or comments.

Parent Teacher Conferences

Your child's teacher will be contacting you on September 17th regarding your child's current progress/grades, and if you would like to set up a zoom meeting/phone conference. Parent teacher conferences are scheduled for Tuesday, September 22nd.

Accelerated Reader

Students in 1st-6th grade have started AR testing. As parents there is a way that you can check at home to see if a book is AR or not. You may visit www.arbookfind.com and select parent or student on the first screen. AR book find is a database you or your child can use to find out if your books at home have a test for them or not. Simply type in the title or author and search.

AR is open for tests at home, school, or the Palmyra Memorial Library.

**No school on
Wednesday, September
16th due to cleaning and
