NEWSLETTER

*Together, we prepare our students to successfully
meet the challenges of the future.*

I hope all of you had a wonderful holiday and break. It has been a busy two days here at Bennet Elementary getting back into a routine, and hearing all the fun student stories about their holiday. Your continued support at home is vital in helping this happen-thank you. Please set aside time each day for your child to complete homework or practice reading and/or math facts. Just 5-10 minutes of practice each day can be the difference in making gains in your child's education.

Please remember to dress your child appropriately for outdoor recess; as the temperature is changing day to day, and there are days we will be going outside.

Have a wonderful weekend. As always, please contact me if you have any questions, comments or concerns at walter.lin@districtor1.net.

Bennet Booster Meeting

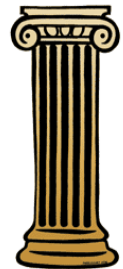

Tuesday, January 9th, will be the next Bennet Booster meeting at 7:00 PM at Bennet Elementary.

Character Counts

Our Character Counts Pillar of the Month is "Fairness." To be fair means:

- Playing by the rules
- Taking turns and sharing
- Being open minded; listening to others
- Not taking advantage of others
- Not blaming others
- Treating all people fairly.

In case of inclement weather: If District OR 1 were to have a late start, the school day would begin at 10:00 AM and buses would run one hour and forty-five minutes later than the original pick up time.

Report Cards were sent home today. If you have specific questions please contact the classroom teacher.

Caring Project

Please be looking for information on the caring project at Bennet Elementary.

Construction Update:

*Fourth and fifth grade classrooms had permanent walls put in to separate the two classrooms.

*The bleachers in the gym were removed over break. This has added a lot of additional space for students.

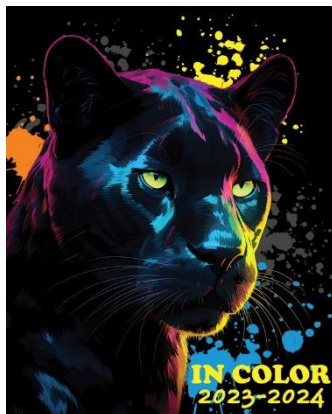

THANK YOU for supporting our school and staff. Your support is what makes our school district so amazing.

**The Nebraska Department of Motor Vehicles
has created a new process in obtaining the
Provisional Operator's Permit.**

(1) The DMV asks, but not require, that teen drivers have a legal permit prior to taking driver education. If a student is 14 by October 15, 2024, enrollment is allowed.

(2) Every student needs to successfully complete the 25 question exam given at the court house before obtaining their first driving permit.

(3) When the student has completed all course requirements, a business card and insurance waiver will be provided outlining the steps the student should take to get their POP using their home computer.

(POP is the Provisional Operator's Permit for 16 year olds)

The DMV requests that students use their home computer to print off their POP on their 16th birthday. **No need to return to the court house.**

Drive

Our teen driver education classes are presented in a hybrid

format. Each student is required to complete a set of worksheets and in-class assignments prior to driving with Liz Cunningham.

Use Google.docs or a similar format. Please unlock when you send.

Email those answers to elcunningham87@yahoo.com in one document,

This option allows the student flexibility in completing the course.

The five hours of behind-the-wheel instruction will be arranged following consultation with the student and parents.

A confirmation email will follow your registration within a couple of days. **Check your SPAM if you do not receive this notification.**
