On Tuesday, March 1st, the PHS Sophomores...

Visited Peru State College to learn about the college, tour their facilities, engage with some new activities and enjoy a delicious buffet meal. The highlights were getting to run around on the field turf football field, enjoy games in the game room, and participate in the Criminal Justice Program gun range (laser), cell search, and apartment search for contraband.

Searching for contraband in an apartment with a 180 pound resident dummy.

Members of the sophomore class picking up trash when it was discovered that trash can make wonderful tackling dummies—except when they are filled with, well, trash!

In the next photo, members of the tour relax between tours by playing in the game room.
