Class Placement Requests for Next Year

We understand that families may occasionally have requests regarding classroom placement for their child. Please know that creating class lists is a very thoughtful and comprehensive process that involves input from classroom teachers, support staff, specialists, and administration. Our goal is to build balanced and equitable learning environments that support the academic, social, emotional, and behavioral needs of all students. Because of the many factors considered when developing class rosters, it is extremely difficult to accommodate specific teacher or peer requests. While we value family input and perspectives, we are unable to guarantee placement requests. We appreciate your trust in our staff and the care we take in creating positive and effective learning environments for every student at Bennet Elementary.

26-27 Supply Request Lists

For families who like to get a head start on back-to-school shopping, school supply lists for the 2026-2027 school year are included in this newsletter at the very bottom. We know summer schedules can get busy, so we wanted to provide these early to help families plan ahead and shop at their convenience.

Rec Transition

A couple notes for REC for the end of the year. We will have REC on the last day of the school year normally as scheduled. If you have a balance, please make sure you pay your balance for the end of the year. If you have a surplus, email Shonna and she will submit them to our district office for reimbursement.

Outstanding Lunch Balances

As we get closer to the end of the school year, we kindly ask families to take a moment to check and pay any outstanding lunch balances. Clearing accounts before the final days helps us wrap up the year smoothly and avoids any end-of-year surprises. If you

need assistance with your child's lunch account or have questions about your balance,

Preschool Open House – May 18

We invite families to join us for a Preschool Open House on Monday, May 18 from 3:30–5:30 PM at Bennet Elementary.

This is a great opportunity for interested families to visit our program, meet our preschool staff, and connect with district administration. We'll be available to answer questions and share important information to help you feel prepared for the upcoming school year. We look forward to welcoming you and your future learners!

Lost and Found Reminder

Our lost and found is overflowing! We have collected jackets, water bottles, and other items over the past weeks. Please take a moment to stop by by the entryway and see if anything belongs to your child. We will begin cleaning this out and donating remaining items during the summer.

Parent Ambassador Program

presented by Bennet Elementary Boosters

Calling all Parent Volunteers!

Are you looking for a way to become more involved? Meet new parents? Help out our amazing teachers? Then we have an awesome opportunity for you!

Bennet Boosters is excited to continue the "Parent Ambassador Program" for the 2026-2027 school year. We are looking for 1-2 Parent Ambassadors for each classroom.

What are the primary duties as a parent ambassador?

1. Plan classroom holiday parties (Halloween, Christmas and Valentine's Day)

- Ambassadors will plan 2–3 age-appropriate activities (example: 1 game, 1 craft, 1 snack)
- Ambassadors will coordinate 2–3 parent volunteers to attend the party and assist with activity and handing out snacks.
- Ambassadors will request donations from classroom parents via Signup Genius for snack. Can also request donations for craft/game if needed.
- Goal is for the classroom teacher to focus on enjoying the day with the students and the Ambassadors (with assigned parent volunteers) to coordinate and manage the party.

2. Yearbook Photo Collection

- Send reminders to classroom teacher to upload photos to Google Drive Yearbook Folder throughout the year after events (ex: Halloween parade, holiday parties, field trip).
- Take photos at events where you are in attendance and upload to Google Drive Yearbook Folder

3. Other Duties

- Ambassador will work with the classroom teacher to determine any extra needs there may be for that year. This may vary teacher to teacher and grade level to grade level.

FAQ:

• How are Parent Ambassadors Chosen?

- Scan the QR code below to fill out the application form. (Or fill out the form included in today's packet.) Please indicate all classrooms you are available to help with. You will only be assigned to one classroom. We will choose randomly if we have more than 2 parents express interest for one classroom.
- Ambassadors will be chosen by the end of August. There will be an Ambassador Welcome Meeting held in early September to review goals of the program and answer questions.

• How will the Ambassador communicate with classroom parents?

- Ambassador will post on classroom band app when looking for volunteers and/or donations. Encourage use of Signup Genius for ease of communication.

• Do you, as Parent Ambassador, need to personally provide any supplies for the holiday parties?

- Ambassador will use Signup Genius to make donation requests for snacks, holiday craft supplies, etc.

• Do you, as Parent Ambassador, need to be present at each of the 3 holiday parties?

- No! We encourage Ambassadors to work with your classroom parents to identify other parents interested in helping with volunteering duties. This role is not designed to be a big time commitment- it is designed for both working and stay-at-home parents!

• Do you, as a Parent Ambassador, need to be a member of the Bennet Boosters?

- No! You do not need to be a member of the Bennet Boosters.

• Questions?

- Please reach out to Kayla Bruss 402-440-8895 (Ambassadors Coordinator) or Megan Jensen 402-380-4016 (Boosters President)

Alexis Calfee

Alexis "Lexi" Calfee embodied the spirit of the All-American girl. She was a homecoming queen, volleyball captain, Student Council president, National Honor Society member, and a standout track athlete. With dreams of becoming an elementary education teacher, Lexi was as driven as she was compassionate. Beautiful inside and out, she never let her achievements define her. Instead, she remained humble, putting others before herself and lifting up those around her. She loved life.

On September 9, 2011, Lexi and her boyfriend, Chris Oberg lost their lives to a six time convicted drunk driver and many lives were forever changed. In honor of her or someone you have lost, Give the Gift of LIFE, please donate.

PANTHER YOUTH BASKETBALL 5,000 & 10,000 SHOT CLUBS

Because Champions are made in the summer – and great shooters shoot all the time! Building the correct habits through repetition and practice will foster muscle memory in your shooting form – and that proper form will take over when you are in the game!

The Panther Youth Shot Club is a summer program designed to challenge our athletes to practice excellent shooting form with the goal of earning their spot in the club.

5,000 Shot Club: 3rd-5th grades | 10,000 Shot Club: 6th-8th grades

FAQs

What are game shots? Game shots are different for every player. To be successful, you should start in close to the basket working on proper form for a warm up. Once you have established your range (distance from the basket where you can shoot the ball with proper form) you are ready. Note: only game shots count (underhand and half-court baseball shots are examples of shots that do NOT count).

Where can I shoot? This shot club is open to any hoop where you can shoot – in the driveway, at the park, during a basketball camp, open gym, etc. 3rd – 8th grades = 10ft hoops.

Do free throws count? Yes! Ideally 20% of your shots will consist of free throws. When you shoot for a long period of time, you will need to rest. Free throws are a great way to rest during a workout.

Can I just guess how many shots I shoot and make? The idea behind the Shot Club is to give you, the player, the confidence and the knowledge that you deserve to win because you put in time to improve your game. You must be true to yourself and be honest about what you want to get out of doing this.

What do I get for making the club? You will successfully complete the program if you turn in all your tracking reports, making sure all shots have been verified by a parent or guardian. Players who take 5,000 and 10,000 shots (for your respective grade) will receive a Panther Youth Shot Club Shirt and will be recognized when we start up our basketball season next year.

Tips

Form: eyes on target, feet squared up, shot pocket (finger pads), helper hand, elbow in, gooseneck follow through

Variety of shots: layups, jump shots, drive and shoot, fake and shoot, free throws

Practice shots after you are tired: don't just quit – get a few more shots in!

Sample 100 Shot Workout

20 in front of hoop, 20 block (R/L), 20 layups (R/L), 20 free throws, 20 elbow (R/L)

Do this workout 50 – 100 times this summer – you are in the club!

Standard Response Protocol

Bennet Elementary’s adoption of the Standard Response Protocol (SRP) provides a standardized approach to managing various events, both threatening and non-threatening, that may happen in or around our school.

Alexis Calfee

Alexis "Lexi" Calfee embodied the spirit of the All-American girl. She was a homecoming queen, volleyball captain, Student Council president, National Honor Society member, and a standout track athlete. With dreams of becoming an elementary education teacher, Lexi was as driven as she was compassionate. Beautiful inside and out, she never let her achievements define her. Instead, she remained humble, putting others before herself and lifting up those around her. She loved life.

On September 9, 2011, Lexi and her boyfriend, Chris Oberg lost their lives to a six time convicted drunk driver and many lives were forever changed. In honor of her or someone you have lost, Give the Gift of LIFE, please donate.
