## NEWSLETTER

Bennet Elementary  
District OR 1

Nov. 10<sup>th</sup>  
Volume 1, Issue 16

*Together, we prepare our students to successfully  
meet the challenges of the future.*

Happy Friday to everyone!  
Our Veterans Day  
breakfast and special  
music at PHS today was

wonderful! Thank you to Mrs. McCreight  
and the Bennet Singers for the beautiful  
music. Many, many thanks to all who have  
and are now serving our great country!  
Thank you!

Reminder there will be no school on  
Tuesday, November 14<sup>th</sup> for Teacher  
In-service and PHS One Act.

Today students participated in a  
*Kindness Activity* with their family  
groups to discuss acts of kindness at  
school and in the community.

Please feel free to contact me with  
questions/concerns at 782-3535. You  
may also email me at  
walter.lin@districtor1.net. As always, I  
thank you for your continued support.

Linde Walter

### Save the Date

The Bennet Elementary Winter concert  
will be Monday, November 27<sup>th</sup> at  
Palmyra High School for grades K-4.

K-2 will perform at 6:15 PM followed by  
3<sup>rd</sup>-4<sup>th</sup> grade at 7:15 PM.

Students will be transported to PHS on  
Monday, November 27<sup>th</sup> in the morning  
to practice for the Holiday concert.

---

### World Kindness Day

National World Kindness Day is Monday  
(November 13th) and students at Bennet  
Elementary are encourage to wear "Be  
Kind" shirts, tie dye, neon colors to  
remind us to be kind to everyone.

The Bennet Boosters  
meet the 2<sup>nd</sup> Tuesday of  
every month at 7:00 PM  
in the Elementary  
Commons. We hope to  
see you Tuesday,

November 14<sup>th</sup> for our next meeting.  
Please visit the Bennet Elementary  
Boosters Facebook page to learn more  
about upcoming events.

## Upcoming Events:

### November:

13<sup>th</sup> BOE meeting at 7 PM  
14<sup>th</sup> Bennet Booster Meeting @ 7 PM  
14<sup>th</sup> Teacher In-Service- No School  
22-24<sup>th</sup> No School (Thanksgiving Break)  
27<sup>th</sup> K-4 Elementary Concert

---

### Cool weather is Here!

Coats, hats, and mittens will be needed most days for recess. It is helpful if you can put your child's name in coats. We can easily return items to your child if there is a name on the tag.

---

### Friday, November 10<sup>th</sup>

District OR1 recognized local Veterans.  
Bennet Singers participated in the ceremony at PHS.

### School Closing Due to Inclement Weather

Each winter we have school days when we are faced with the dilemma as to whether school will start on time, start late, or should be canceled altogether. This decision is never easy to make, but we want you to know that we have our students' safety foremost in mind. With that said, be aware that we will monitor road conditions closely and will use that information to make the determination about a school closing or late start. If a decision is made to close school or to have a late start, we will notify families via the District School notification system and KFOR radio 1240 AM. These are the primary contacts with late start or closing information. In addition, we will notify channel 10-11 television for the Lincoln market and Channel 6 television in the Omaha market. Our website and Twitter feed will be updated as quickly as we can in order to get information out in a timely fashion.

I would remind you to update your contact information with the school. This includes your email, home phone and mobile phone information. If our information is incorrect or missing, we will be unable to contact you via the District Notification System in case of a weather closure.

# Guess Who?: Mineral Edition

The past few weeks' freshmen science students have been working in earth science. They have made it through volcanoes, tectonic plates, earthquakes, the atmosphere, weather, minerals, rocks, and are currently on weathering and erosion. This year we incorporated some of our vocabulary words into a game. Students used those terms in order to identify the mineral that their

*Dannica Hose and Grady Vasa study their physical property list to prepare their next questions.*

partner chose. Students had to use clues like metallic/nonmetallic, hardness, cleavage, fracture, colors, streak, characteristics, composition, and what the mineral is part of. Most of us have played the game Guess Who. Rather than physical features of humans, they used physical properties of mineral to narrow down their choices to one. They were only able to ask five questions and three guesses regarding their partner's mineral, so they had to be particular on which questions they asked about their partner's mineral. If anyone wanted to see some competition, well this game brought out that

competitive spirit in the freshmen as they were trying to use fewer questions and fewer guesses than their partner did. I had to remind some competitive students that this to help with learning about minerals not necessarily being first. We were able to use our vocabulary words but we also had some fun while doing it. We also discussed about using everyday skills like problem-solving, good questioning techniques, memory, and attention to detail to play our Guess Who?: Mineral Edition game. The best part was seeing the interactions amongst the students because it brought out a social side in everyone.
