November 4

Volume 1, Issue 14

I can't believe how fast
the school year is going
and that we are already in
the month of November!
Please continue to discuss
the 4 B's of Bennet
Elementary with your

children—Be Respectful, Be Responsible,
Be Safe, and Be An Active Learner.
These expectations are building blocks
which help make our school a safe, caring
and positive learning environment.

Our Character Counts Pillar of the Month
for November is *Respect*. Treat others
with respect; follow the Golden Rule • Be
tolerant and accepting of differences •
Use good manners • Be considerate of
the feelings of others • Don't threaten,
hit or hurt anyone • Deal peacefully with
anger, insults, and disagreements.

Please feel free to contact me with
questions/concerns at 782-3535. You
may also email me at
walter.lin@districtor1.net. As always, I
thank you for your continued support.

Linde Walter

Cool weather is Coming!

Coats, hats, and mittens will be needed most days for recess. It is helpful if you can put your child's name in coats. We can easily return items to your child if there is a name on the tag. Please have your child visit our Lost and Found for items that are missing.

The Bennet Boosters meet the 2nd

Tuesday of every month at 7:00 PM in the Elementary Commons. We hope to see you Tuesday, November 8th for our

next meeting. Please visit the Bennet Elementary Boosters Facebook page to learn more about upcoming events.

District Newsletter

Please note that the district newsletter will be in a digital format this edition, and it will be posted on our school website and social media channels beginning the week of November 14th. If you would like a paper copy please contact the school office and we will send a copy home with your child.

School Closing Due to Inclement Weather

Each winter we have school days when we are faced with the dilemma as to whether school will start on time, start late, or should be canceled altogether. This decision is never easy to make, but we want you to know that we have our students' safety foremost in mind. With that said, be aware that we will monitor road conditions closely and will use that information to make the determination about a school closing or late start. We will check roads beginning at 4:30 AM so that we can arrive at a decision by 6:15 AM. If a decision is made to close school or to have a late start, we will notify families via the District School notification system and KFOR radio 1240 AM. These are the primary contacts with late start or closing information. In addition, we will notify channel 10-11 television for the Lincoln market and Channel 6 television in the Omaha market. Our website and Twitter feed will be updated as quickly as we can in order to get information out in a timely fashion.

I would like to remind you to update your contact information with the school. This includes your email, home phone and mobile phone information. If our information is incorrect or missing, we will be unable to contact you via the District Notification System in case of a weather closure.

The Nebraska Department of Motor Vehicles has created a new process in obtaining the Provisional Operator's Permit.

- (1) The DMV asks, but not require, that teen drivers have a legal permit prior to taking driver education. If a student is 14 by October 15, 2023, enrollment is allowed.
- (2) Every student needs to successfully complete the 25 question exam given at the court house before obtaining their first driving permit.
- (3) When the student has completed all course requirements, a business card and insurance waiver will be provided outlining the steps the student should take to get their POP using their home computer.

(POP is the Provisional Operator's Permit for 16 year olds)

The DMV requests that students use their home computer to print off their POP on their 16th birthday. **No need to return to the court house.**
