Dismissal 3:20

Early Dismissal Days 1:00

Principal's Update

Winter Weather Clothing

As we transition from fall to winter weather, please help your child come to school prepared for the day's temperatures. Students go outside for recess as long as the weather allows, so be sure they have appropriate jackets, hats, and gloves when needed. Guidance for jackets and recess wear as well as indoor recess can be found below. We strongly recommend labeling your child's jackets and coats with their name. This helps ensure that their items are returned to them instead of sitting unclaimed in the lost and found. Our lost and found is located by the entryway. Please take a moment to visit the lost and found if your child is missing any items.

Last Call for Student Directory Submissions

Our Bennet Boosters are putting together this year's Student Directory! If you haven't yet completed the form, please take a quick moment to do so by Monday, November 3. Participation is completely voluntary, and the information shared will be used solely for the purpose of the school directory. You can submit your information here:

[Student Directory Form](#)

Thank you to our Boosters for organizing this great resource for our Bennet families!

Dismissal Changes

Coordinating the dismissal plans for 350 students each day is extremely challenging and time consuming for the office staff. If you have a change request, we ask that these are communicated to the office by 2:00 each day. Ideally, the transportation plan is consistent day to day. We understand that some days a change is needed. However, receiving these requests within an hour of dismissal is a challenge for ensuring timely communication to staff to ensure these students get to where they need to go. Please assist in helping make this process smooth and effective.

Bennet Elementary - District OR-1

Bus Changes

Due to limited bus drivers and seating, we are unable to support students riding to a friend's house. Students can be bused home according to their regular route, and we are unable to provide transportation to other locations. We will continue to have daily shuttles from the elementary school and high school. Thank you for understanding.

Arrival Procedures

Students in the Rec Program may be dropped off starting at 7:00. All other students should arrive no earlier than 7:50 unless they are riding the bus or attending the Rec Program. The front doors will open at 7:50, and staff will begin monitoring the drop-off line at that time. Students dropped off before 7:50 will be unsupervised and the doors will be locked. Breakfast will be served from 7:50 to 8:20 daily. During arrival, students will gather in the Bennet Commons until 8:20 and then be escorted to classrooms. The school day starts at 8:20, and the tardy bell rings at 8:25.

If you are dropping a student off to ride the morning bus shuttles to PHS and have elementary students with them, we cannot provide supervision for students prior to 7:30. Please have students wait in the car until this time as the buses do not arrive until 7:30.

Parent Drop Off and Pickup Procedures

A few reminders that I would like to share to help everyone get in and out quickly:

- Please have students enter and exit your vehicle on the passenger side of your vehicle. The drop off lane is extremely effective and the safety of your student is our top priority. By doing this, we can ensure that students are not in zones of traffic and are not in harm's way.
- If you are using the parent drop/pick up lanes, please stay in your vehicles. If you would like to park and walk up, please utilize the parking spaces in the interior of the parent pickup/dropoff lane.
- In the afternoon **only**, Kindergarten parents may utilize the bus drop off lane for pickup for Kindergarten students and older siblings. Grades 1-5 will continue to use the primary pickup/dropoff lane. Teachers have now been assigned zones to help aid in the location of your students to help you get in and out quickly.

Quarter 1

Specialist Team Newsletter

Library

Our students are really enjoying the updated library space! One of their favorite parts of class is spending the last ten minutes relaxing and reading in our new comfortable seating area. A big thank-you to everyone who helped make the Bennet Fun Run such a huge success — your support helps us continue to grow and update our collection. Mr. Smidt has started ordering new books!

In second grade, students spent the first quarter reviewing the parts of a book and learning about the white spine labels that help every book find its special place on the shelf. They also explored the difference between fiction and nonfiction. Coming up, students will learn what the letters E, FIC, and the numbers on book spines mean — and how they help us locate books quickly.

In third grade, students reviewed how to use a table of contents and practiced organizing stacks of nonfiction books in the correct order during class activities. Our current focus is on dictionary skills, including guide words, base words, and parts of speech.

– Mr. Smidt

Upcoming

Nov 24 – K – 4 Winter Concert

Dec 11 – 5th Grade Band & Bennet
Singers Winter Concert

Music

Greetings! In music, Kindergarten has been exploring steady beat; different ways to use their voice, and learning about how music is full of patterns and rhythms. The 1st and 2nd graders have been adding more complex rhythm patterns and making sure we use our good singing voices. Our 3rd and 4th grades have been learning about tempos, dynamics, and learning about and reviewing treble clef note names. Our 5th graders have reviewed dynamics, tempos, added more syncopated rhythms, and attended the Lincoln Symphony Orchestra concert on October 27th.

Quarter 1

Computer

🖥️ Bennet Computer Room Update! We've had a busy and exciting quarter in computer class! Each grade level has accomplished so much, and I'm thrilled to share their progress: Kindergarten has been hard at work learning how to use a computer mouse instead of a touchscreen. It was quite an adjustment, but they did it! 1st grade reviewed some familiar skills from last year and started exploring a few new websites. One favorite has been EPIC, an online library filled with great books to read and listen to. And of course, every grade continues to learn about computer safety. It's been a wonderful quarter of learning, exploring, and growing in our digital skills!

- Mrs. Hanger

Physical Education

The PE world has been very busy to start the school year. Each grade level started the year with their baseline fitness tests including a shuttle run and standing broad jump to name a couple. Our younger grade levels then moved onto our "tossing and catching" unit where we really focus on tracking the ball from our partner and making good tosses that can be caught. Our older grade levels started their first "sports" unit of volleyball with a heavy emphasis on passing. We are looking forward to the rest of the year and pushing ourselves to be the best versions of ourselves that we can be!

- Mr. Wernhoff

Art

Students began the year creating a colorful art display. This collaborative piece taught students the importance of resilience, effort, and working together.

Throughout first quarter, grades 4 and 5 continued building resilience and artistic skills in weaving and portrait drawing. Grade 4 learned about the art and history of weaving. Students designed looms full of color and pattern and challenged themselves in circle loom weaving. Grade 5 explored how heroes can be represented in art. Students have been working hard on portrait drawing and using value to create realism. Both projects encouraged students to use their creativity, take risks, and explore new art techniques.

School Counseling PROGRAM

What's Happening in the Classroom?

This week, students in Second and Third Grade continued learning about different types of bullying. We discussed physical, social, verbal, and cyber bullying as well as the difference between a mean/rude moment vs. bullying. Students were provided with 4 steps to help reduce the risk of bullying:

- 1) Address what you see/hear - "Please stop, that's not okay!"
- 2) If you notice this continuing, get an adult involved.
- 3) Be there for the person who was hurt.
- 4) Show kindness to everyone at all times.

Focus for the School Year

- Resilience
- Kindness
- Respect
- Emotional Regulation

Strategy/Skill to reinforce at home

Affirmations

Utilizing positive self-talk to support resilience and growth mindset

November Affirmations Challenge

All students should have brought home a paper with a 30 Day November Affirmations Challenge. Classroom teachers also sent band messages with information for this challenge.

I am hopeful and excited to receive pictures, emails, and conversations of creative ways families choose to reinforce these affirmations to build resilience, growth mindset, and positive self-talk in our students.

If 80% of our PK-5th grade students complete this challenge and return their family-initialed documents to me by December 5th, there will be a whole school reward!

Let's work together to build resilience in our youth!

SOUP With Santa

Join us for our Soup with Santa event! We'll be serving delicious chili, chicken noodle & cheeseburger soup, hot dogs, and cinnamon rolls for a free will donation that will benefit Palmyra Community Foundation & Palmyra Youth Group. Bring the kids to visit with Santa, make fun holiday crafts, and write letters to Santa to drop in his special mailbox! It's a festive afternoon full of food, fun, and Christmas cheer for the whole family!

Standard Response Protocol

Bennet Elementary's adoption of the Standard Response Protocol (SRP) provides a standardized approach to managing various events, both threatening and non-threatening, that may happen in or around our school.

These protocols provide actions for the following situations:

- Hold (stay in classrooms due to a non-threatening event)
- Secure (danger is outside the school)
- Lockdown (danger is inside the school)
- Evacuate (leave the school building, often referred to as fire drill)
- Shelter (tornado or severe weather)

IN AN EMERGENCY TAKE ACTION

HOLD! In your room or area. Clear the halls.

STUDENTS

Clear the hallways and remain in room or area until the "All Clear" is announced
Do business as usual

ADULTS

Close and lock the door
Account for students and adults
Do business as usual

SECURE! Get inside. Lock outside doors.

STUDENTS

Return to inside of building
Do business as usual

TEACHERS

Bring everyone indoors
Lock outside doors
Increase situational awareness
Do business as usual
Take attendance

LOCKDOWN! Locks, lights, out of sight.

STUDENTS

Move away from sight
Maintain silence
Do not open the door

ADULTS

Recover students from hallway if possible
Lock the classroom door
Turn out the lights
Move away from sight
Maintain silence
Do not open the door
Prepare to evade or defend

EVACUATE! (A location may be specified)

STUDENTS

Leave stuff behind if required to
If possible, bring your phone
Follow instructions

ADULTS

Lead students to Evacuation location
Account for students and adults
Notify if missing, extra or injured students or adults

SHELTER! Hazard and safety strategy.

STUDENTS

Use appropriate safety strategy for the hazard

Hazard	Safety Strategy
Tornado	Evacuate to shelter area
Hazmat	Seal the room
Earthquake	Drop, cover and hold
Tsunami	Get to high ground

ADULTS

Lead safety strategy
Account for students and adults
Notify if missing, extra or injured students or adults
