Have a wonderful weekend. As always, please contact me if you have any questions, comments or concerns at [walter.lin@districtor1.net](mailto:walter.lin@districtor1.net).

### Lost and Found

Our Lost and Found area is beginning to fill up—if your child has misplaced a clothing item, please have them check the “lost and found” area in the cafeteria. It is a good idea to label your child’s outerwear items (on inside tags) so as clothing is turned in, we can immediately deliver them to the rightful owners.

### School Closing Due to Inclement Weather

Each winter we have school days when we are faced with the dilemma as to whether school will start on time, start late, or should be canceled altogether. This decision is never easy to make, but we want you to know that we have our students’ safety foremost in mind. With that said, be aware that we will monitor road conditions closely and will use that information to make the determination about a school closing or late start. We will check roads beginning at 4:30 AM so that we can arrive at a decision by 6:15 AM. If a decision is made to close school or to have a late start, we will notify families via the District School notification system and KFOR radio 1240 AM. These are the primary contacts with late start or closing information. In addition, we will notify channel 10-11 television for the Lincoln market and Channel 6 television in the Omaha market. Our website and Twitter feed will be updated as quickly as we can in order to get information out in a timely fashion.

I would remind you to update your contact information with the school. This includes your email, home phone and mobile phone information. If our information is incorrect or missing, we will be unable to contact you via the District Notification System in case of a weather closure.
