Volume 1, Issue 6

*Together, we prepare our students to successfully  
meet the challenges of the future.*

What a great week of school we have had! The students continue to come to school ready to learn and make a difference.

I appreciate how everyone is so willing to help out with our Bennet Elementary Community....it all adds up to being a great role model for your child, and helping Bennet Elementary to be the greatest elementary it can be! Everyone at District OR1 has one goal, "Preparing our students to meet the challenges of the future." District OR1 appreciates all our families support.

Next Thursday, Bennet students will practice/discuss safety drills (Fire Drill, Lock down, tornado procedures and bus evacuation and safety.) Due to Covid precautions we will be making adjustments to how this is typically done, and doing more discussion for lock down and tornado drills.

I continue to welcome the opportunity to visit with you should you have any questions, concerns, or comments.

Linde Walter
