Seniors...3 must-do tasks for this fall!

1. **Apply to your top college choices.** Our school participates in Nebraska's *Apply2College* campaign in October, so you'll get help with your college applications during a school-day event. If not, go to the EducationQuest website to find a college application checklist and other helpful resources.
2. **Create an FSA ID.** You and a parent must each create a username and password at fsaid.ed.gov that will serve as your Federal Student Aid (FSA) IDs for the Free Application for Federal Student Aid (FAFSA). You will each need your own email address to create an FSA ID.
3. **Complete the FAFSA at fafsa.gov on or after October 1.** The FAFSA is your application for federal, state, and college-based financial aid. The colleges you list on the application will use that information to determine the types and amounts of financial aid they will award you.

Get **FREE** help from EducationQuest

- Find free [FAFSA Tools](https://www.educationquest.org/FAFSATools/) at EducationQuest.org to help you prepare for and complete the FAFSA.

Chick-fil-A Leader Academy

Applications are being accepted now for the 2022-23 Chick-fil-A Leader Academy at Palmyra High School.

Selected students from grades 9-12 will meet each month for a one hour training module on the various topics of leadership.

Three times during the year they will be challenged to put their learning into practice and make a difference in their community; this will culminate in the year-end Impact Project Service Project.

The Big Kick-off event will take place in late September.

The application was sent out in an email from Mr. Chaffee, or it can be accessed here: app.chickfilaleaderacademy.com/apply
